A competition is being run as part of this exhibition. This competition (“the Competition”) is aimed at visitors to the All4Pack Paris 2016 Show (“the Show”).

### **Article 1: TERMS AND CONDITIONS OF PARTICIPATION**

This Competition is free to enter and open to anyone of legal age visiting the Show.

Anyone wishing to enter the Competition (“the Participant”) must complete the entry form available at the Expo 10/10 Pentawards during the All4Pack Paris Show which will be open from 9.30am to 6.00pm, 14 to 17 November 2016.

Participants may only enter once during the Competition period.

The only way to enter the Competition is by completing the entry form. Any other type or means of entry, and any submitted by post, will not be accepted.

### **Article 2: PURPOSE OF THE COMPETITION**

The purpose of this Competition is:

- During the Show, a random draw will take place to find and award four entries per day that have selected their favourite packaging in each of the 10 categories exhibited at Expo 10/10 Pentawards.  
Draws will take place every day during the show at: 11.30am - 1.30pm - 3.30pm - 5.30pm.
- After the Show closes, the Participant who chose the ten (10) packagings most popular with all participants will win a case of six (6) bottles of Champagne, which will be sent to the address provided on the entry form.  
If several entries are tied, a random draw will take place.

### **Article 3: VALID ENTRIES**

Participants confirm that the details given on the entry form are correct. Any false, incorrect and/or incomplete declaration will result in the entry automatically being deemed invalid and any associated prize rescinded. Once the entry has been submitted, Participants can no longer amend their personal details.

Participants are informed that the details they provide on the entry form are required for their entry to be accepted and for prizes to be awarded. Consequently, Participants are asked to ensure their details are correct.

In any event, for an entry to be valid in this Competition Participants must strictly comply with entry terms as set out in these rules and regulations, as well as any other instructions communicated to them by the Organiser through any other means.

### **Article 4: NAMING THE WINNERS - AWARDING PRIZES**

A draw will take place every two (2) hours on 14-17 November 2016 to find that day's winners (one winner per draw) ("the Winners") from among the Participants who have submitted their entry forms.

Draws will take place every day during the show at: 11.30am - 1.30pm - 3.30pm - 5.30pm.

The Founders of Expo 10/10 Pentawards will immediately notify the Winners by SMS on the telephone number given on the entry form.

Each Winner contacted in this way must send a reply SMS to the telephone number given by the Founders to confirm acceptance of the prize and must collect it before 6.00pm when the Show closes.

**Any Winner who does not collect the prize in the stated conditions and timeframe will be deemed to have waived the right to claim the prize and cannot claim it at a later date under any circumstances.**

The prize will then be awarded to another Participant chosen in a back-up draw, who will be notified in the same conditions as stated above. The Founders will follow the same process if the telephone number for contacting a Winner is incorrect.

In any case, Participants who are not drawn will not be notified.

## **Article 5: PRIZES AVAILABLE**

The Competition has sixteen (16) prizes available: sixteen (16) copies of The Package Design Book published by Taschen.

The stated value of €39.99 for each of the aforementioned prizes corresponds to the recommended retail price inclusive of taxes at the time the Rules and Regulations were published. It is only given for information purposes and may be subject to change.

The Organiser and the Founders reserve the right to replace any prize by a prize of equal value, including when the planned prize is not available.

Prizes cannot give rise to any dispute or claim whatsoever, nor can they be exchanged or their value in cash be given to the Winner at their request.

Should the Winner not want or be unable for any reason whatsoever to take possession or enjoy all or part of the prize won in the conditions set out in these Rules and Regulations, they will be deemed to have fully waived their right to the prize and cannot claim any compensation or damages from the Organiser or Founders.

## **Article 6: VIEWING THE RULES & REGULATIONS**

The Rules and Regulations can be viewed free of charge on the Organiser's All4Pack Paris 2016 Show website: [www.all4pack.fr](http://www.all4pack.fr)

All Participants will be deemed to have accepted the amendment simply by having entered the Competition as of the date the aforementioned amendment comes into force (as shown by the connection time and date in mainland France).

### **Article 8: INTELLECTUAL PROPERTY**

All designs, names and brands cited in the Rules and Regulations and any communication media relating to the Competition remain the exclusive property of their author or rights holder.

### **Article 9: DATA PROTECTION ACT - PERSONAL DETAILS**

Personal details about each Participant taking part in the Competition, required in order to award prizes if won, are collected and processed in accordance with the provisions of the French Data Protection Act no. 78-17 of 6 January 1978. These details are used to manage the Competition and, with the Participant's agreement, may be reused by the Founders or the Organiser and Comexposium Group for sales campaigns.

Collected details are exclusively for use by the Founders and Organiser. They may be provided to service providers and subcontractors used by the Organiser in organising and/or managing the Competition.

Under the French Data Protection Act, Participants in the Competition have the right to access, correct, delete and contest their personal details. Participants can exercise this right by sending a written request to Comexposium, 70 Avenue du Général de Gaulle, 92058 Paris la Défense Cedex, France, or emailing [communication.all4pack@comexposium.com](mailto:communication.all4pack@comexposium.com) and giving their full name and postal address, and attaching a copy of their ID.

As the details collected from each Participant for the Competition are essential for entries to be accepted and prizes awarded, if a Participant exercises the right to withdraw before the end of the Competition their entry will be automatically cancelled.

### **Article 10: DISPUTES - APPLICABLE LAW & ASSIGNED JURISDICTION**

If one or more of the Rules and Regulations provisions are declared null and void and/or not applicable, the other clauses will retain their full force and effect.

Participants unconditionally accept that by participating in this Competition they are subject to French law, specifically for any dispute that may arise from the Competition or which is directly or indirectly related to them, without prejudice to any conflict-of-law rules that may exist. An amicable agreement between the Organiser and Participant will initially be sought for all disputes arising from the Competition. If an agreement cannot be reached, the dispute will be brought before the Nanterre Commercial Courts.

Any dispute or complaint relating to the Competition must be put in writing and posted to the Organiser before 17 November 2016, after which it will not be accepted.

No reply will be sent to any phone or written requests about the interpretation or application of the Competition's rules, its mechanisms or terms and conditions, or Winner selection.
